# Dianella Heights Primary School Photo Permission Authorisation Form Kindergarten to Year 6

## Video Viewing

At times teachers use DVD, Video and other taped material to provide important information. We also use a range of DVDs for use in wet weather. All videos that we watch at Dianella Heights are either rated "G" or "PG". 'PG' movies are only viewed by students in Years 4 - 6 and will be approved by the Principal or Deputy Principal.

## Newsletter

Dianella Heights publishes an electronic newsletter every fortnight. Student photographs and first names may appear in the newsletter or in school documents such as the School Plan/Report. Photographs are sometimes taken during classes, on a special occasions, or at a special event e.g. sports carnival/assembly. Photographs are displayed without names attached.

## Website

Dianella Heights Primary School has its own website. The website features important information about teaching and learning, policies, up and coming events and school notices.

We also use photographs of our students. This would include photographs taken at school events and would be displayed without names attached.

## Outside Agencies

From time to time agencies such as The West Australian or TV companies may take photographs or videos of students at school. These images may be used in newspapers or in TV articles.

**If you do not agree** to the above, please complete the slip below and return to the school office. If a completed slip is not received by the school by this date then it will be assumed that you agree to the terms outlined.
